GENERAL INFORMATION:

Participants interested in delivering a session at the World Hospital at Home Congress 2025 are invited to submit a session proposal. All submissions will undergo a review by the Scientific Committee and may be accepted or rejected. The Committee reserves the right to change some of the elements of the accepted proposals (e.g. the duration of the session).

Submitters are encouraged to consider and include **speakers from different countries and backgrounds/presenting diverse examples**. Such proposals will have an advantage during the evaluation process.

Submitters are also encouraged to propose **interactive and engaging session formats**.

The proposal submitter is responsible for ensuring that the session speakers adhere to all deadlines, as well as for coordinating the session execution if the proposal is accepted. **All communications from the Congress Organisers in regards to the session will be directed to the submitter.**

NB! Please kindly note that any proposal that includes industry representatives will be considered as an industry proposal.
